SUPPLEMENTAL ORDER

At a session of said Court held in the  
Courtroom in Howell, Michigan this  
11 day of Sept, 1978.

PRESENT: THE HONORABLE PAUL R. MARINEK,  
Circuit Judge

By order made and entered May 14, 1978 herein this Court having  
retained jurisdiction in the above entitled action pending completion of all

matters in the redesignated time schedules referred to in paragraph  
II of said order, and

Upon motion of Defendant Township of Northfield and Defendant  
Township of Green Oak for a supplemental order herein it appearing that  
the improvement of the Northfield Township wastewater treatment facility  
is substantially completed in conformance to the design thereof, and that  
the performance of that facility is meeting and exceeding all effluent  
requirements imposed by the May 24, 1972 order herein, and the Court  
being fully advised in the premises, now, therefore,

**IT IS ORDERED AND ADJUDGED AS FOLLOWS:**

1. That the said motion be and hereby is granted, the Court hereby  
determining that the effluent requirements heretofore imposed by said order  
have been met, complied with and satisfied.

2. That the Defendant Township of Northfield be and hereby is  
authorized to increase the volume of effluent to be discharged from the said  
wastewater treatment facility to a total volume not exceeding 750,000 gallons  
per day.

3. That the restraining provision of prior orders in this matter  
and hereby are vacated excepting that this Court shall retain jurisdiction  
herein and all orders for all costs payable by this Court on May 14,  
1972 shall be continued in effect and all monthly operating reports  
shall be filed with the Clerk of Court of the County of ~~Washington~~  
public record, until further order of the Court.
